Sharon High School Sharon, Pa.

Dedication

We, the members of the Class of 1953, dedicate this yearbook to one whom we have missed this year, Miss Grace McClenahan. She knew us all by name.

FACULTY

Top Row (L. to R.): Mr. Charles W. Burke, Dr. G. P. Anderson, Treas., Dr. John B. Alter, Pres., Mr. Oliver W. Beach, Vice Pres., Mr. Henry D. Johns.

Second Row: Mr. John B. Lewis, Mr. Basil Scott.

Board of Education

The Board of Education is composed of seven members elected by the citizens of Sharon to regulate and maintain the educational standards of our school district. The Board is obliged to execute the school laws passed by the State Legislature; and, with the skillful cooperation of Mr. C. M. Musser, Superintendent of Schools, promotes a program of learning that is difficult to excel. Among the several duties of the Board are the construction of the school budget, the collection of taxes, the maintenance of the buildings, the expenditure of school funds, and the employment of properly qualified personnel.

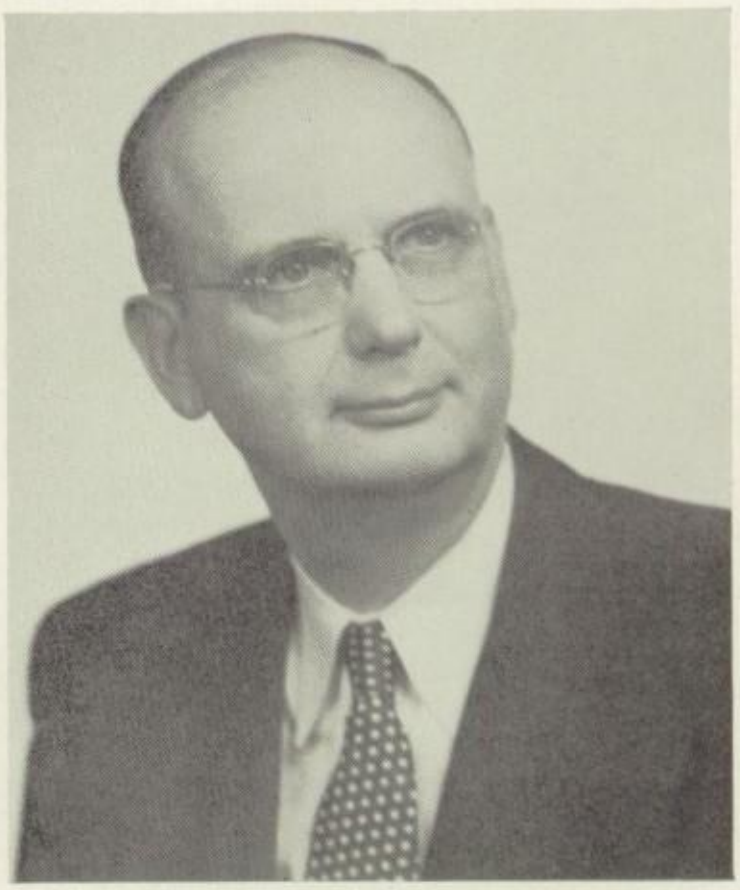
To this group of public-spirited men we are deeply indebted for the educational programs and high standards which they have made available to us. Through the sacrifice of their time they contribute greatly to the transition of Sharon youth to capable adulthood.

Superintendent of Schools

"The public school is everywhere—in city, town, and hamlet; on the open prairie; perched on canyon sides. Its doors are open to all."

"In the public school, children learn devotion to the flag, respect for law, admiration of our great national heroes, and a knowledge of the nation's struggles for independence and freedom. In the public school, children learn machinery of government in community, state, and nation. They learn their rights and duties as citizens."

C. M. Musser



Principal of the High School

"The public school of the United States in its beginning and growth has been the greatest practical instrument for free men in this hemisphere. It must always remain the most important source for teaching the basic concepts of our constitutional form of government. It must carry on in the never ending battle against ignorance and ill will if it is to survive. It is a tremendous responsibility for educators to maintain and to increase the esteem which this great enterprise holds among our people. If this nation hopes to increase its power for good in the world, it must cherish and strengthen its most powerful asset—education."

S. N. Currier

Assistant Principal of the High School

"If our nation is to solve our most dangerous problems, if we are to achieve universal prosperity and security and if we are to keep from destroying ourselves by our inventive genius, we must, through education, develop our reasoning powers and knowledge to a far greater extent than ever before. Out of the educational system we must build an understanding of human relationships which we have not possessed up to now. Will the historians of tomorrow look back upon this generation and write of opportunities used or lost?"

Alma Mater

Hail, all hail, to Sharon High School
Bright the torch for thee we bear
May it burn as bright forever
As its glorious light we share.
At thy feet we lay our trophies
Honoring thee, we cannot fail;
In our hearts a reverent greeting
Hail to Sharon, Hail.

Hail, all hail, to Sharon High School
Far and wide thy banners fling
May they float on high forever
As our truest gifts we bring.
At thy feet we lay our trophies
Honored thus, we dare not fail.
School triumphant, spirit splendid
Hail to Sharon, Hail.

SENIORS

Graduation

Come May in the year 1953
No longer you will see
The Senior Class of Sharon High
For graduated we will be.

No more to sit in those hard wood seats
Or hear that old bell ring
No more to read those books and maps
Or hear the Choir sing.

No more the hustle from class to class
Or lingering in the halls
No more the good old gym class
With cheers of basketball.

No more the teachers will scold us
As oft they used to do
And those dreaded trips to the office
I will miss them too.

I'll miss them, sure I will
And I bet you will too
And when September comes round again
I'll feel a wee bit blue.

When we go marching down that aisle
In caps and gowns of black
Tears will come into my eyes
For I know I'll not be back.

I'll miss it, sure I will
And I bet you will too
And when September comes round again
You too will feel blue.

ACTIVITIES

Annual Staff

Editor-in-Chief ..... Robert Mazur
Assistant Editor ..... Pat DeProfio
Adviser ..... Mr. R. K. Paxton

The Annual Staff, an all-senior organization, consists of the boys and girls who make this book possible. They prepare the Annual to be a record of the happenings of the year and give special credit to the different organizations of the school. They meet every Tuesday evening after school. The aim of the Staff is to make this year's book better and richer than any yet prepared.

Advertising Staff

Senior Manager ..... Beverly Jofery
Junior Manager ..... Harold Bonner
Sophomore Manager ..... Dianne Rossi
Adviser ..... Mr. Arthur Houck

This group consists of volunteers from all three classes who secure the advertisements for the yearbook. The members of the staff visit the various businesses in Sharon and Farrell from whom they get these ads, without which we might not be able to publish the yearbook as inexpensively as we do.

Business Staff

Many are the tasks of the girls who belong to this staff. Their work consists of scheduling senior pictures, collecting money for publications, keeping office records, mailing the Gazette and Annual to outside subscribers, and carrying on all correspondence for the publications. Mr. Arthur Houck is their adviser. Congratulations to them for a job well done.

Art Staff

Editor ..... Ingrid Stein

Adviser ..... Miss Elizabeth Sykes

The chief work of this staff is to provide the art work for the yearbook. They dream up ideas for the Annual; and with the help of the Yearbook staff, they develop their ideas into a theme around which the yearbook is built. They also do the art work for the Gazette.

Gazette Staff

Managing Editor ..... Ann Petrini
Feature Editor ..... Charlotte Ackerman
Sports Editor ..... Herb Yanowitz
Adviser ..... Miss Lillian Semple

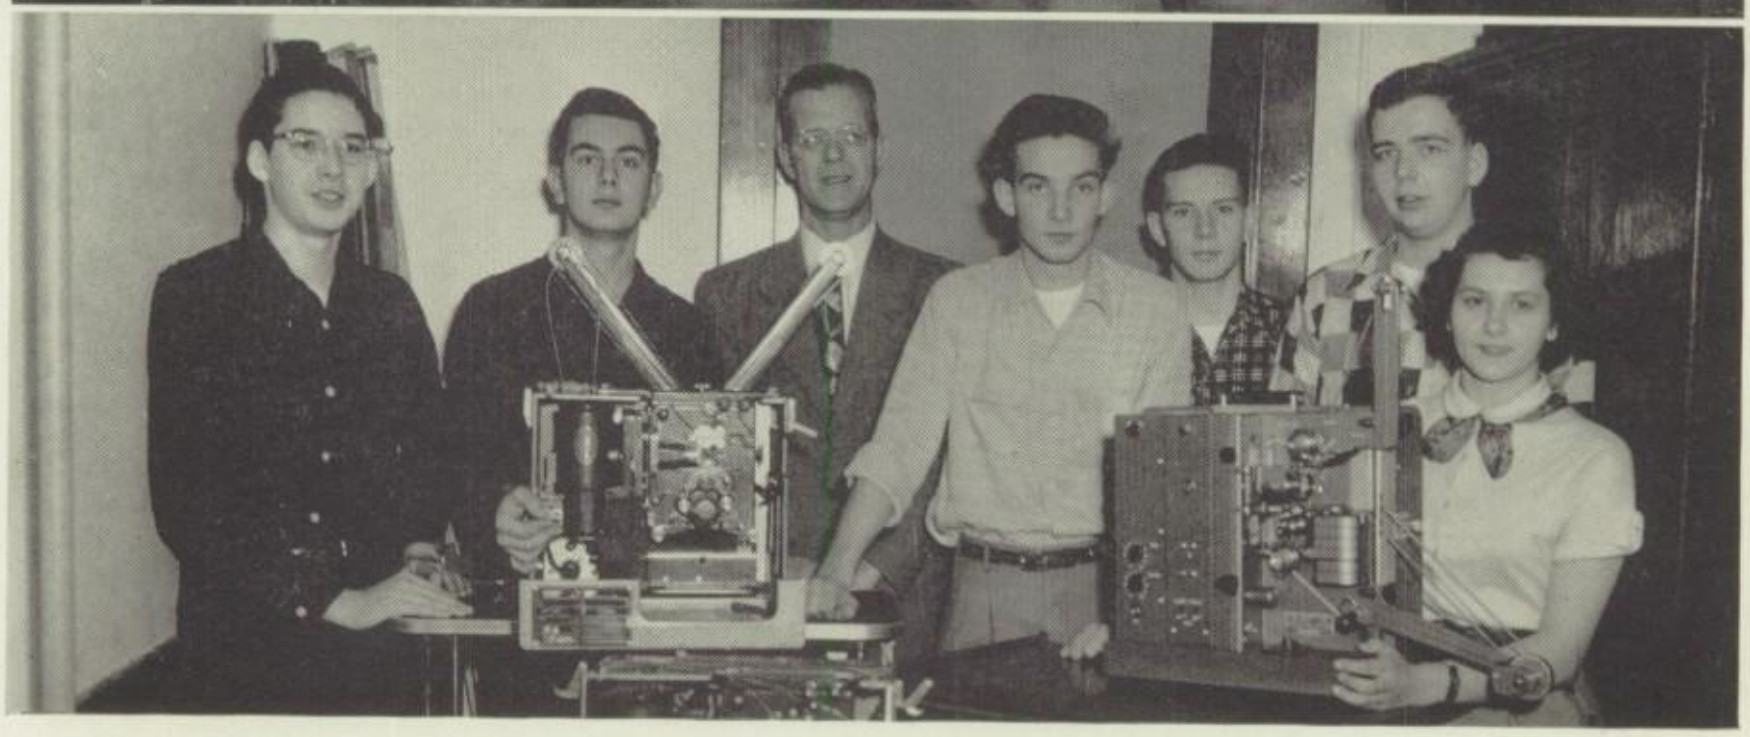
Busy, busier, busiest! are the members of this Staff. They are always engaged in running down stories and writing up articles for our school paper, the Gazette. To become a bona fide member of this Staff, a student must have at least thirty inches of printed material published. Twelve times a year this group combines forces to produce a paper that is well worth our hearty congratulations. As evidence of its excellence, the Gazette was awarded a First Class rating by the National Scholastic Press Association this year, thus maintaining the top position among high school newspapers that it has held for many years.

Quill and Scroll

The Quill and Scroll is an international journalistic honor society, of which the Sharon High Chapter is named in honor of Drew Pearson, noted columnist and news commentator. The requirements for students to become members of this society are first, to have a minimum of one hundred inches of original material printed in the Gazette, second, to be in the upper third of the class, and third, to have the recommendations of three of their teachers. The faculty member in charge is Miss Lillian Semple.

Photography Staff

Nothing can tell a more complete story of an important event than a good picture. We owe this Staff a vote of thanks for a fine picture record which we'll enjoy as a part of our yearbook for many years to come. Under the guidance of Mr. R. K. Paxton, this group of boys develop their knowledge of good photography techniques—all the way from loading the film to taking the finished picture off the ferrotype plate.



Visual Education Staff

If it were not for the Vis-Ed Staff, we would not be able to see the many movies that we enjoy and learn from in our class rooms. Under the guidance of Mr. James Marks, this group receives a lot of worthwhile experience in the techniques of motion picture projection. They preview many of the films received by the school, and then arrange with the classroom teachers when suitable movies can be shown to the best advantage. While learning, they perform a fine service to our school.

Traffic Squad

Captain ..... Bernard Lucich
Lieutenants ..... Bill Young, Bob Newell, and Paul Huck
Adviser ..... Mr. Blaine Laycock

"Safety First" is the motto of this squad. Every morning and afternoon these boys direct the automobile and student traffic on the streets near the school building and make sure that there are no accidents. At the end of the year they are rewarded with a trip to Cleveland to see a ball game.

Fire Squad

Captain ..... Phil Reese
Adviser ..... Mr. A. P. Wildman

This group of boys are invaluable whenever the fire bell rings. When this happens, they rush to pre-assigned posts and direct the students safely to the nearest exits. In addition they are taught how to handle other duties in the event of a possible fire.

Mask and Mike

President ..... Bernard Lucich
Vice President ..... John Feltovich
Secretary ..... Marcia King
Treasurer ..... James Saxon
Advisers ..... Miss Caroline Daverio, Miss Ruth Moore

The Mask and Mike, one of the more active clubs of the school, is also one of the newest. It was formed last year from the Radio Guild and the Sock and Buskin, or Dramatics Club. Each year the Mask and Mike sponsors a rally, radio programs, auditorium programs, and three One-Act Plays which are usually presented in the spring. Members of this group are trained in the techniques of radio broadcasting and dramatic staging.

Stage Crew

Foreman ..... John Ghindea
Adviser ..... Mr. Wallace Heiges

Without these boys the stage productions of Sharon High would not be handled so easily. These are the boys who set up the scenery and control the lighting for the plays, concerts and assemblies in our school. Other valuable tasks that this group performs are building of scenery, rearranging the stage and preparing the stage for the many different uses to which it is put.

Senior Play

"Growing Pains," the 1953 Senior Play, tells the dilemma of the McIntyres, who see their boy and girl tossed in the cataracts of adolescence and can help little further than give directions for the turbulent course from a distance—advices which egocentric youth always reject, of course.

These two McIntyre kids, George and Terry, go through their throes of growing up in company with the neighborhood kids. Many things happen to all of them but the end is bright and promising. Directed by Miss Caroline Daverio with the assistance of Miss Ruth Moore, the Senior Play this year maintains the high standards of dramatics for which Sharon High is noted. Pat DeProfio was student director. Nancy Marks and Mary Lee Turner were book-holders.

Junior Play

This year's Junior Play, "A Date With Judy," by Eileen Leslie, was presented on November 19 in the Sharon High auditorium, and chalked up another success for Miss Caroline Daverio, the director, and her assistant, Miss Ruth Moore.

The play centered around the Foster household, which included Judy, the Fosters' teen-age daughter, Randolph, their unpredictable son, and of course Mr. and Mrs. Foster. Judy's main ambition in the play was to get more subscriptions for the Community Relief Fund than her rival, Tootsie Whiteman. The methods she used to raise money cause many an uproarious situation and make for a riotous play.

Auditorium Ushers

Captain ..... Frances Lurtz
Advisers ..... Miss Ruth Filer
and Miss E. Vernece Saeger

Whenever there is a formal function, such as a play or concert, in our auditorium, this group is called upon for assistance. The girls distribute programs and usher visitors to their seats. The boys take tickets. Obviously these students, who offer their services voluntarily, must be familiar with the seating plan of the auditorium and must be available to work when needed. They are to be congratulated for always doing a good job.

Sports Ushers

This group can always be seen at our football and basketball games ushering people to their seats. This group, who volunteer their services, are required to learn the seating arrangement of both stadium and gymnasium, to be faithful in duty, and to keep their scholastic average high. For their faithful work they finish the year with a spaghetti dinner and a movie. These ushers are under the supervision of Mr. R. K. Paxton.

All-State High School Orchestra

WILLIAM M. BLOUGH
Host

EDWIN McARTHUR
Guest Conductor

FRED SWINGLE
Associate Host

Sharon High School was distinctly honored in being chosen host school for the 1953 All-State High School Orchestra Festival. One hundred thirty-five students from all areas of our great state met together for the first time at 10:30 A. M. Thursday, March 19, and after thirteen hours of diligent rehearsal, under the inspired leadership of Mr. McArthur, presented a student concert Friday afternoon and public concerts Friday and Saturday evenings. The thrilling concerts, which equalled the performances of some of our fine professional symphony orchestras, will be remembered for a long time to come.

Members of our own Sharon High School Orchestra who were fortunate in being able to play with this excellent group were: Dale Wilcox, first violin, Carol Sue Brown, second violin, and Lois Pearrell, viola.

Sharon High School with its spacious facilities, cooperative administration, faculty and students proved to be an ideal host. The consensus of the visiting music directors was that this was the finest All-State Orchestra which has thus far been produced.

"Hats off" to the music department and the Pennsylvania Music Educators Association whose combined efforts made possible this contribution of cultural enrichment to those who participated, and to our school and community.

Social Chairman ..... Franny Bebic
Director ..... Mr. William Blough

The Sharon High School Choir, under the direction of Mr. William Blough, is one of Sharon High's great assets. The choir meets five times a week and each member receives one-half credit towards graduation. Members are chosen by Mr. Blough who gives each person a personal tryout. This results in a select group of voices which blend to make the choir outstanding. The choir's library consists of a variety of songs including religious, popular, folk songs, etc. Besides its performances at the school concerts the choir occasionally appears before audiences in nearby communities.

President ..... Darlee May
Vice President ..... Helen Martiny
Secretary ..... Marilyn Hogue

Secretaries

In the various offices throughout the school you will find these girls typing, interviewing, taking dictation, filing, selling tickets, delivering mail, and performing other duties. They are selected according to their abilities, scholastic standing, and initiative. While obtaining self-confidence and experience for themselves, they are a great asset to the various faculty members whom they assist. The girls say that besides being wonderful training for later work, it's loads of fun.

Social Committee

President ..... Jean Cross
Vice President and Treasurer ..... Pat DeProfio
Secretary ..... Lynn Stevenson
Adviser ..... Mr. Clifford Smith

Good music! Refreshments! Fun for all! You can be sure of all these things when you attend a party planned by the Social Committee. Several times each school year this group sponsors an all-school party. The large number of students who attend and their enthusiastic reports are evidence of the popularity of the Social Committee's work.

Hospitality Committee

Chairman ..... Nancy P. Morgan
Adviser ..... Miss Vernece Saeger

Welcoming new students and making them to feel at home is the work of this group. Their duties consist of introducing to our school customs any student who transfers to S. H. S. from some other school. Also, they are sometimes called upon to conduct adult visitors through our building, pointing out its places of interest. They exemplify the friendly spirit of Sharon High.

Librarians

These girls help with the work that is necessary to make our library one of the finest anywhere. Under the guidance of Mrs. Helen Bestwick these girls become familiar with the fundamental techniques of library science. They help to arrange books, collect fines, sign out and sign in books, and provide helpful information to students using the library. They serve our school well.

Monitors

Captain of Captains ..... Bernard Lucich

Co-captain of Captains ..... Miriam Hohman

Adviser ..... Mr. A. P. Wildman

The Monitors are a group of students who have volunteered to help keep the halls in order and to see that our visitors arrive at their destination. There are ten squads: One squad before school and one squad to serve during each class period. Each year a party is sponsored by the Monitors, where much fun is had by all.

Monitors' Code Of Behavior

I will remember that my behavior reflects the attitude of Sharon High School and that the school is judged by the impression I create.

I will take charge of the halls in the vicinity of my post as monitor and will be responsible for the behavior of the pupils in this area.

I will visit the lavatory nearest my post immediately after I go on duty and at any other time when it is necessary and will report any condition that is not as it should be.

I will talk to no one when on duty except in case of necessity.

I will not allow an outsider to go around in the halls except when I am sure they have received this privilege from the office or are accompanied by some member of the school.

I will rise when speaking with any adult or any woman.

I will remain at my post until the monitor who follows me reports for duty.

I will stand during change of classes.

I will see that pupils use the proper stairs.

If at any time I feel I cannot fulfill my obligation to the school, I will resign my position rather than violate a trust.

I will report to the office any condition which I am not capable of handling.

If on duty on the first floor, I will allow no one to leave the building without proper authority.

I will enforce and abide by the Permit Rules.

I will try to be worthy of the trust placed in me and I will not forget that I am responsible to the school to do my best.

Vice President ..... William Walsh
Secretary ..... Frances Lurtz
Treasurer ..... Lois Ulrich

Members of the Senior class who have maintained a scholastic average of 3 or better through the second grading period of their senior year are eligible to be voted upon by the entire faculty for membership in the National Honor Society. Assistant Coach

Junior Varsity Basketball

Those who came a little earlier to the Sharon games—about 6:45—enjoyed watching the fine play of this year's J. V. squad. Although these boys receive little publicity, we realize how important their existence is to the varsity squad. They not only serve as a source of supply for the big team of the following year, but they give the varsity squad the practice needed to stay on top. Expertly coached by Mr. Don Bennett, the J. V.'s wound up their schedule this year with a record of fifteen wins and three losses.

Golf - - 1952

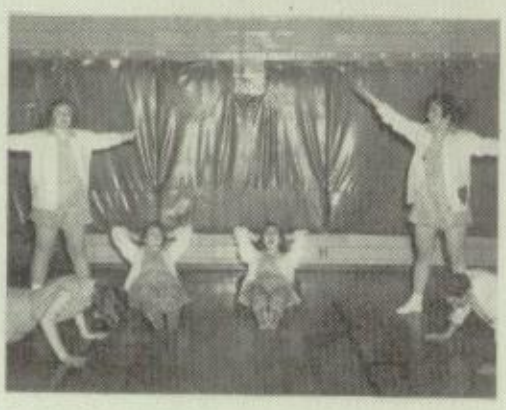
The Golf Team, having been conceded winners of Section I in WPIAL competition, played an individual schedule this year. Single victories were taken from Wilson High and Youngstown East, while double victories were won from Brookfield and Hubbard. One match was lost by one half point to Rayen. The team reached the finals in the WPIAL Tournament by defeating West View, but they lost to Penn High by a score of nine to six.

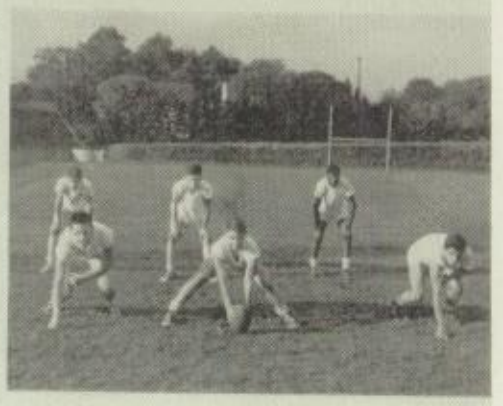
Leaders Club

The Leaders Club, under the capable guidance of Miss Weller and Mrs. Kather, is a group of girls chosen for their athletic ability. The girls teach exercises and skills and act as referees and umpires both in class and in intramural games. Leaders Club is the only activity in school in which a girl can win an athletic award. She must put in at least 30 activity periods as a sophomore and junior, and 20 as a senior to gain this award.

Track--1952

The 1952 Track Team competed in five meets this season and came through winning two of them. They came in third in a quadrangular meet in which they participated at Struthers. Coached by Messieurs Chickerneo, Forsythe, Smith, and Razzano, the boys not only gained athletic skill in track and field events, but they learned the art of good sportsmanship and fair play. Although this was only the fourth season for track, it looks as though it will become a permanent sport in Sharon High School.





Recreational Program

With only two years under its belt, the Recreational Program is the largest program in Sharon High School giving every boy and girl an opportunity to participate in an intramural sport, an athletic club, or an athletic tournament. The sports included in this program are: touch-football, golf, tennis, table tennis, swimming, basketball, volleyball, foul-shooting, shuffleboard, badminton, weight lifting, Indian base, track, and bowling. This program also co-sponsors, along with the Jaycees, a grade-school basketball league which plays in our school gym on Saturdays. It is such a setup as this that makes Sharon High School a better school. Above are pictures of some of the recreational activities. Mr. P. J. Collodi and Miss Dorothy Weller are the advisers in this department.

Cheerleaders

The Cheerleaders, under co-captains Lynn Stevenson and Mary Brennan, lead the cheers at all the football and basketball games. They also take part in nearly all rallies.

At the end of their second year they are all awarded a letter and after their third year, a sweater.

Sports Managers

The Sports Managers, whether before, after, or during the games, are the boys who see to all the details. These fellows are chosen for their ability, their dependability, and their sense of responsibility. Although they receive a letter and sweater for their service, they also have the satisfaction of knowing they have done a hard job well.
